## Teacher & Student Resources The Women's Museum: An Institute for the Future

### DISCOVERY TRUNKS

Discovery trunks are activity based lessons that support hands-on history where students can learn about the historical and contemporary accomplishments of women in America. *Discovery topics include:* History Time Travelers, The Suffrage Movement, Women Explorers, and Women in Art. **Contact the Education Department for more information.**

### Learning Through Objects K - 3 Grades

A great introduction to The Women's Museum!  
Students will join our favorite Museum character, Casey Clue, and scour the museum looking for the answers to a variety of questions about the women featured in the Museums exhibits. Tour & Classroom activities are included with this program.
